THE BAY OF FUNDY

Hello,

Thank you for your continued interest in the Bay of Fundy and the activities of the Bay of Fundy Ecosystem Partnership.

If you have not already done so, please take a moment to fill out a membership form and drop it in the Canada Post mail. *Why the mail and not an online portal?* Well, we would like to have an online portal for membership but first, we need some help - **We need a new Treasurer.**

After many years of invaluable service, the current treasurer Susan Rolston is moving on and BOFEP needs to fill that crucial role. Are you willing and able to do this? And if not, is there someone in your network who can? Please help us.

The annual General Meeting is October 21st, from 1 to 3 pm on Zoom. After the business part of the meeting, Dr. Jeff Ollerhead, Mount Allison University, will be speaking about shoreline change. *"Expect the Previously Unexpected: Shoreline Change with Accelerating Climate Change"*.
